Carton Qty.

**6**

**ABOUT THE PRODUCT:** Wynn's Complete Petrol Fuel System Cleaner cleans and protects the entire fuel system to keep the heart of your vehicle operating at peak performance. With its easy to use one shot treatment, and backed by European technology, Wynn's Complete Petrol Fuel System Cleaner works as you drive to improve engine performance, lower fuel consumption and prevent new deposits from forming for up to 10,000km's.

**ADVANTAGES:** Wynn's Complete Petrol Fuel System Cleaner cleans, protects & lubricates the entire fuel system including injectors, carburetors and valves creating more power and improved acceleration. Wynn's Complete Petrol Fuel System Cleaner stabilises fuel, keeping it fresh for up to 6 months. It also protects the fuel system against corrosion, caused by Ethanol (E10) fuels.

**BENEFITS:** Wynn's Complete Petrol Fuel System Cleaner has been developed to provide the following benefits:

- Cleans and lubricates entire fuel system
- Easy starting and enhanced power
- Protects fuel system components
- Protects and cleans for up to 10,000km's
- Easy-to-use, one-shot treatment
- Catalytic converters, oxygen sensors, turbochargers and E10 fuel safe
- Capless fuel system compatible
- Treats up to 80 Litres of petrol

**APPLICATIONS:** Wynn's Complete Petrol Fuel System Cleaner is suitable for conventional and direct injection Petrol and Hybrid engines, including Turbo Charged.

#### DIRECTIONS FOR USE:

1. With the engine turned off, add entire contents of Wynn's Complete Petrol Fuel System Cleaner to petrol tank, preferably before filling with petrol to ensure thorough mixing of product
2. Use every 10,000km's
